Dear brothers of Alpha Kappa Psi,

My name is Tamara Hinojosa, I'm a Freshman this year majoring in Management. I am deeply passionate about leadership, teamwork, and staying active. I love going outdoors and going on long walks while listening to all types of music depending on my mood. I am interested in business and would love to use it to make a positive impact in my community. I want to be a part of Alpha Kappa Psi because I love the way it focuses on growing you professionally by allowing you to do things out of one's comfort zone.

My leadership and teamwork experience follow closely with AKPsi's expectations. As Class president, I led all class officer meetings, senior meetings, organized Pep Assemblies, Prom, and Graduation, and managed a budget of \$40,000. In Deca, as Vice President of Public Relations, I competed at states all four years and advanced to Nationals, winning the "Glass" Award for an outstanding project. As the captain of the Wyandotte swim and rowing team, I learned to motivate teammates, resolve problems, keep energy high, and make sure everyone contributed to the team goals. These experiences strengthened my skills in adaptability, problem-solving, initiative, and leadership, which I am excited to bring to AKPsi. I believe this will help carry me through professional events, community projects, and the support of my future potential brothers!

- Voted 'Most Likely to be President' by senior class
- Voted 'Most Involved' by senior class
- Most Improved /Coaches Award for Varsity Swim Team

I am excited to help AKPsi continue its mission of developing principled business leaders and making a positive impact. I vow to contribute my energy, teamwork, and organization to fraternity events and projects, while learning from brothers and alumni to grow as the leader I dream to be, I also want to help create an environment where all members feel truly supported and inspired to reach their goals, and actively participate in meetings, workshops, and community to strengthen AKPsi as a whole.

I would love the chance to interview and talk even more about how I plan to contribute to Alpha Kappa Psi! Thank you so much for your time, and I'm excited about the opportunity to grow and get involved with the fraternity.

Sincerely, Tamara Hinojosa

ALPHA KAPPA PSI
