## Alpha Kappa Psi Recruitment Committee

Beta Omicron Chapter, Wayne State University

Dear Members of Alpha Kappa Psi,

My name is **Aanya Doma**, and I am currently pursuing a Bachelor of Science in Business Administration, majoring in Marketing, at Wayne State University. At my core, I am someone who thrives on connections. I find joy in putting myself in others' shoes, staying optimistic when faced with challenges, and treating others with genuine respect. These values guide me throughout life whether it's leading a service project, solving a business problem, or simply chasing sunsets and discovering hidden restaurants.

The Beta Omicron Chapter's work, from **resume night and professional panels to community building events like Speed Friending**, reflects exactly the type of environment I want to help strengthen. My background has prepared me to contribute meaningfully:

- **President of PURE (Michigan Chapter):** Directed statewide operations and led fundraising campaigns that raised **\$3,250+** to support education worldwide, always leading with empathy and inclusivity.
- **Vice President of Rotary Interact:** Guided a 90-member team and raised **\$6,000+** for causes like the Malala Fund and clean water projects, while building unity among members through teamwork and service.
- **C.L. Finlan Insurance (Intern):** Won back **35 past clients** by rebuilding trust through empathetic and professional communication.
- **Think4SAT (Marketing Intern):** Helped generate **\$8,000 in revenue** by creating campaigns that blended creativity with data-driven strategy.

What excites me about Alpha Kappa Psi is not just the professional growth, but the chance to be part of a brotherhood that mirrors my own values. I want to bring my energy, creativity, and leadership experience to Beta Omicron by helping amplify your events, strengthen your service initiatives, and inspire others to lead with empathy and integrity.

I would be honored to interview with you to expand further on how I could contribute and make a difference to Alpha Kappa Psi. Thank you for considering my application. I am truly excited about the possibility of becoming part of this community and leaving my mark alongside all of you.

Sincerely,

**Aanya Doma**
