Experience

Franklin Hills Country Club

April 2023 – Present

Caddy

Franklin, MI

- Assist over **10** golfers each week by carrying bags, cleaning clubs, and repairing course material like filling in divots, raking bunkers, and repairing ball marks while also communicating and giving advice on shots
- Selected personally by other members to caddy for them in tournaments, member-guest events, and major club events due to reliability, phenomenal reviews, and excellent knowledge of the course
- Captain ranking after just one year caddying at FHCC and ranked top **2** for rookie caddies my first year and rank at least top **10** at the club each year for total amount of rounds done
- Average around **7** loops a week as well as doubling some days of the week and have done over **150** rounds at my course and still plan on increasing this number for many years

Leadership and Professional Development

Corewell Health Beaumont

Aug 2024 – April 2025

Volunteer in Spiritual Care and Hospitality

Troy, MI

- Aided over **350** patients in the spiritual care department of my volunteer work that involved offering small talk, prayer, and the choice to receive Eucharist as I took the role of being a Eucharistic Minister here.
- Provided directions and locations to patients in the hospital as well as transportation assistance around the hospital for those that required or requested assistance and also completed over **80** hours of service
- Developed better communication and work skills by trying to speak as much as possible to my patients I visited and learned to prioritize each patient and give full attention to them.

Labre Ministry

Aug 2023 – Mar 2025

Homeless Outreach Volunteer

Detroit, MI

- Traveled around downtown Detroit for three hours every Tuesday providing food, water, clothing, and conversation to the homeless on the streets to make them company and care for them
- Developed a consistent route and path to follow that ends up connecting with the same people to build connections and bonds with them so they would feel close to us and happy
- Prepared multiple meals ahead of time to give out to over **15** homeless people each trip and engaged in prayer or any request that any of the homeless would ask for

Skills and Interests

- The outdoors, golfing (13.3 HCP), staying active, card games, poker, solitaire
- I enjoy watching sports, especially football, and partaking in fantasy football, going to Pistons and Tigers games

Computer/Technical Skills

- I enjoy problem solving questions, mathematical puzzles, and trying Jane Street puzzles
- NX Siemens CAD; using for personal projects and use to practice my designing skills
