Dear Members of Alpha Kappa Psi,

My name is Mohammad Hussain Mohamed Ali Khan, and I am a Business student at Wayne State University majoring in Global Supply Chain Management. I am eager to join Alpha Kappa Psi because of its reputation as the premier professional business fraternity and its commitment to leadership, integrity, and service.

My experiences reflect AKPsi's values of Brotherhood, Knowledge, Integrity, Service, and Unity. I have managed daily operations at Drip Dry Cleaners, gaining responsibility and problem-solving skills. Through Key Club, I completed over 40 hours of service, strengthening my teamwork and commitment to the community. I also earned a Supply Chain CHRMI Certification and participated in the Youth Leadership Summit, building professional and leadership skills that I want to further develop with AKPsi.

I am inspired by AKPsi's mission to develop principled business leaders and would welcome the opportunity to contribute my dedication, teamwork, and leadership to the chapter. Thank you for your time and consideration. I really look forward to the possibility of an interview.

\

Sincerely,

Mohammad Hussain Mohamed Ali Khan
