Dear Alpha Kappa Psi,

My name is Eliza Shahzad, and I'm currently a second-year Business Management and Finance student. I love paying attention to the little details that make a big difference and am especially interested in how businesses operate along the legal side of things. I thrive in and enjoy environments where thinking carefully and asking the right questions matter. Learning from people who are driven, curious, and ready to make an impact motivates my goals.

I want to join Alpha Kappa Psi because it poses as a community where I can grow, challenge myself, and connect with others who care about making a genuine difference. Being active, engaged, and ready to contribute aligns with Alpha Kappa Psi's philosophy of building principled leaders, and that's exactly how I approach opportunities. My experience in volunteering and collaborating on projects has taught me how to take initiative, work alongside diverse teams, and stay organized under pressure. I enjoy balancing multiple responsibilities while keeping an eye on the details, which I believe will help me contribute meaningfully to events, projects, and the overall goals of this chapter.

I would appreciate the chance to interview and talk more about how I can contribute to Alpha Kappa Psi. Being part of this community is something I'm genuinely excited about, and I'm eager to learn from and grow alongside such driven people.

Sincerely,

*Eliza Shahzad*
