

Dear Members of Alpha Kappa Psi,

My name is Jade Jones, a junior at Wayne State University, majoring in Global Supply Chain Management, and a first-generation college student. Born and raised in Detroit, I transferred to Wayne State seeking both academic growth and a strong community. I thrive where people, strategy, and growth intersect, whether generating sales, building relationships, or coordinating events. I want to join Alpha Kappa Psi because I admire how the fraternity balances the professional aspects of the corporate world with the social aspects of college. That combination of career development, service, and brotherhood is exactly the environment I want to grow in.

Through roles with Stellantis, Rocket Mortgage, Target, and Gardner White, I've developed leadership, adaptability, and relationship-building skills that align with Alpha Kappa Psi's values. As an Event Operations Assistant at Wayne State, I've learned to manage details under pressure, while my sales success reflects my drive and ability to deliver measurable results.

Key highlights of my journey include:

- \$1M+ in furniture sales and \$100K in solar loan sales
- Rocket Mortgage Top 10% recognition (Silver Coin Award)
- Gardner White Club Writer for surpassing \$1M in delivered sales
- Event Operations Specialist at Wayne State, executing professional events

I'm inspired by Alpha Kappa Psi's dedication to professional development, community service, and brotherhood, and I know I can bring passion, creativity, and results to the chapter while also learning from and uplifting my peers. Thank you for your time and consideration, and I would be honored to interview and further share how I can contribute to Alpha Kappa Psi's legacy of excellence.

Sincerely,

Jade Jones
