Dear Alpha Kappa Psi,

I am Sanika Tailor, a Junior at Wayne State majoring in Digital Marketing and with a minor in Graphic Design. I am passionate about combining creativity with business. Over the years I have improved my skills in social media marketing, event planning, and leadership. During the 2024-2025 academic year, I served as resident of the Business Club at Schoolcraft college. I helped launch *Vision to Venture*, the first student-led pitch competition at Schoolcraft College. Leading this competition from its funding to prompting to execution really challenged me to grow as a leader while understanding my strengths and areas of improvement. Beyond academics I have pursued my passion for music by taking classical music classes since I was 12. Additionally I run a Henna business which I have been managing for the past 3 years, offering designs through preordered bookings. I am excited to join AKPSI to learn from like-minded peers, contribute my leadership and creativity skills, and build meaningful connections that extend beyond the classroom.

I believe my experiences align closely with AKPSI core values and mission. Brotherhood: I build lifelong connections with peers, professors and local entrepreneurs during Vision to Venture. Knowledge: I Co-authored a student success manual which helped provide guidance and resources to any new college student. Integrity: managed my henna business responsibly and professionally, ensuring client satisfaction. Service: I volunteered with Phi Theta Kappa and the Schoolcraft Foundation and helped them with student and community engagement. Last but not least Unity: I collaborated with teams to host events and projects successfully and while expanding the Business Club's board and promoting inclusivity within the club.

I am inspired by Alpha Kappa Psi's commitment to leadership and I am excited to contribute to its mission while learning from a community of like-minded peers. I would welcome the chance to share how my experiences add value to the fraternity, and I look forward to the opportunity to interview.

Sincerely,

Sanika Tailor
