Dear Alpha Kappa Psi Recruitment Committee,

I am writing to express my deep interest in becoming a member of Alpha Kappa Psi. My name is Noah Bashore, and I am currently a junior accounting major at Wayne State University. My personal passions that form the unique person that I am include international travel, linguistics, and experiencing the beauty of both culture and nature all around the globe. Forming connections with people who are different than me brings me a great sense of fulfillment. I believe that success stems from wisdom, wisdom comes from experience, and experience depends on an individual's motivation to pursue it.

I am eager to join AKΨ because I feel strongly that being a student means more than just working towards a degree. The Fraternity's mission and values strongly resonate with me, particularly the focus on peer-to-peer mentorship and fostering a strong sense of brotherhood. I am confident that my dedication to becoming a CPA along with my diverse work experience will allow me to contribute meaningfully to the Beta-Omicron chapter.

My work experience has given me a strong understanding of the business sphere. I have worked for large corporations, small family-owned businesses, and even managed my own freelance business. These experiences span several different industries and two languages. From my apprenticeship in historical building reconstruction in Germany, I learned the value of professional discipline. From my freelance work as a property manager, I developed focus in remote settings and strengthened my self-motivation. Finally, in my role as a delivery coordinator at Menards Inc., I gained an appreciation for the importance of clear and concise communication.

I understand that AKΨ not only values these skills but also actively strives to sharpen them among its members, just as steel sharpens steel. I would be honored to further discuss how my experiences and ambitions align with the vision of your wonderful organization. I welcome the opportunity for an interview, and I am excited about the possibility of contributing to a community that values brotherhood, professionalism, and leadership. Thank you for your consideration. I truly care about becoming a part of this fraternity and am driven to make a lasting, positive impact.

Sincerely,

Noah Bashore
