Dear Members of Alpha Kappa Psi,

My name is Zeinab Hachem, and I am currently a sophomore at Wayne State University pursuing a degree in Marketing. I enjoy combining creativity with structure, which is reflected in my work as a legal assistant at a law firm where I manage client communications, prepare legal documents, and meet critical deadlines. Outside of work, I have a passion for reading, creative writing, and playing both English and Arabic songs on the violin. I am driven by the idea of exploring new experiences beyond Michigan, and I'm drawn to Alpha Kappa Psi because I want to be part of a community of motivated individuals who are serious about personal and professional growth.

What stands out to me about Alpha Kappa Psi is its focus on brotherhood, leadership, and service, values, which I have come to appreciate through my own experiences. Working in a law firm has helped me build a strong sense of professionalism, attention to detail, and communication skills. I also had the opportunity to attend the National Student Leadership Conference (NSLC) where I developed leadership skills through hands-on workshops and team based challenges. Additionally, I've been involved in tutoring programs, where I supported students in academic growth and the ability to lead by example. These experiences have strengthened my ability to collaborate, stay organized, and take initiative. I am confident that these skills will help me flourish within AKPsi and contribute as an active, engaged member.

After researching Alpha Kappa Psi, I'm truly inspired by your mission to develop business leaders who prioritize ethics, service, and integrity. These values align deeply with mine, and I'm confident that AKPsi will challenge me to grow, lead, and be the best version of myself.

Thank you for considering my application. I would love the opportunity to interview and further discuss how I can contribute to Alpha Kappa Psi. I am excited about the possibility of joining this organization and am ready to commit myself fully.

Sincerely,

Zeinab Hachem
