EXPERIENCE

Fogo De Chao

Troy, MI

Gaucha Chef

Nov. 2023 – Aug. 2025

- Created strong communication with coworkers with utmost teamwork, ensuring each customer was enjoying their experience, and creating effective teamwork management creating client focus building trust and making the complex information in to clear
- Butchered, portioned, and garnished the meat for the customers, receiving recognition for my dedication for the job
- Maintained a clean area to work, completing any beginning or closing shift duties such as preparing meat for the next morning, the grills are clean, or making sure that the knives are sharpened for use for the next morning.

Eddie Bauer

Troy, MI

Sales Associate

Sep. 2023 – Aug 2025

- Restocked shelves and managed inventories effectively, monitoring stock levels, reduced out of stock instances and maintaining organized shelves, while also identifying any discrepancies within the inventory and reporting them to management
- I have consistently exceeded sales goals by advising 10+ customers daily, helping contribute to revenue growth
- Completed any assigned responsibilities such as processing transactions, organizing floor sets, and customer support

Luthfur LLC

Detroit, MI

Founder

May 2025 – Present

- Conducting competitor analysis on Amazon, identifying any market gaps to create opportunities for my product and its growth using PPC, pay-per-click, to control my market growth using the reviews received to help control customer satisfaction
- Evaluating United States vs International manufacturing to help mitigate future risks, while negotiating and coordinating with manufacturers to identify low MOQ costs and pricing structures to optimize supply chain costs to help develop a great product
- Structuring non-discloser agreements, operating agreements, and quality agreements to help with the evaluation of the product

LEADERSHIP & PROFESSIONAL DEVELOPMENT

Project Lead Club

Troy, MI

Member

Sep 2022 – May 2024

- Volunteered over 70 Hours of community service in events such as tutoring and food drives
- Helped with middle school students to school food drives and helped donate over 50 jackets to homeless shelters

PwC Management Consulting Job Simulation

Detroit, MI

Participant

Aug 2025 – Sep 2025

- Worked through a simulated client divestiture case, conducting strategic and financial analysis using excel to recommend opportunities while identifying areas of operational improvement and prioritizing client needs and framing solutions
- Interpreted raw data and made them into structured insights while preparing professional deliverables simulating PwC client work
