EXPERIENCE

Phoenix Theaters

Livonia, MI

Concessionist

March 2023 – Present

- Confidently manage customer transactions in high volume environments by efficiently operating point-of-sale systems, accurately processing cash and credit payments, and consistently balancing registers to ensure financial accuracy
- Personably enhance customer experiences by actively listening to inquiries, addressing product related concerns with clear and professional communication, and delivering tailored solutions that foster customer satisfaction
- Steadily maintain product availability and support sales operations by proactively restocking inventory, monitoring concession supply levels, and strategically arranging displays to maximize visibility and encourage purchases
- Flexibly reinforce team operations during peak showtimes by transitioning across roles to meet fluctuating demands

Insight Management Consulting

Livonia, MI

Supply Chain Intern

June 2025 – July 2025

- Seamlessly unified pricing, cost, and recipe data from nine business units into a centralized Excel database by designing and implementing an integration process, enabling leadership to make better decisions with easier data access
- Carefully improved reliability of financial reporting by conducting comprehensive audits of **500+** inventory, COGS, and sales records across invoices, statements, ensuring data integrity and following accounting standards
- Directly identified cost-saving opportunities by evaluating food cost patterns, waste trends, and department-level variances through in-depth cross-departmental analysis, providing insights that guided expense reduction
- Proactively forecasted promotional item sales by analyzing unit-level sales data, customer attendance, and per-cap revenue, influencing purchasing strategy and directly contributing to the creation of a new promotional planning role

LEADERSHIP & PROFESSIONAL DEVELOPMENT

Wayne State Global Supply Chain Management Association

Detroit, MI

Member

September 2025 – Present

- Participate in professional development and networking workshops related to supply chain
- Collaborate with peers and industry professionals to learn about supply chain trends and career opportunities
- Contribute to case study discussions and group problem-solving exercises to develop insights into supply chain challenges

Wayne State Lebanese Student Association

Detroit, MI

Member

September 2025 – Present

- Engage in cultural and community events promoting diversity and inclusion
- Collaborate with fellow members to promote Lebanese culture and traditions across campus through engaging activities
- Support event planning and outreach initiatives that increase student participation and awareness of Lebanese heritage
