Formally address Alpha Kappa Psi,

My name is Iman Moses, I have been a leader of clubs like Culinary Club and DECA as well as a Cheer Captain, studying teamwork, event planning, and motivation. I enjoy cooking and sharing meals, planning events, and testing myself to improve on both a personal and professional level. I want to be part of AKPsi because I am excited to combine my business and leadership interests with a community of likeminded active professionals who share the same ambition, learn from them, and contribute back to a community that cares for professional growth and collaboration.

My past work and leadership experience have provided me with the skills and qualities to become a successful AKPsi active member. My professional and extracurricular life has developed me into a person with outstanding teamwork, leadership, and organizational skills that relate directly to AKPsi's level of professional development and engagement. Some of the significant achievements are:

DECA: Participated in coordinating and leading team projects for state and regional competitions.

Culinary Club: Organized events and led cooking demonstrations for our members.

Cheer Captain: Led practice, motivated a team of 20+, and instructed choreography.

I have acquired the ability to be self-starting, multitask, and work together in diverse environments from these experiences. I think that these skills and accomplishments will allow me to make a valuable contribution to AKPSI while continuing to grow professionally and personally.

I am greatly inspired by Alpha Kappa Psi's mission to create a richly diverse global community of bold, value driven business leaders. Your emphasis on values of integrity, service, and unity resonates with my own leadership experiences within various organizations. I anticipate serving AKPsi's purpose by sharing my event planning, team leadership, and community engagement skills with greater effect for our common good. I would be honored to discuss how my experience aligns with the mission of AKPsi and how I can be an engaged member of our vision. Thank you for considering my application.

Sincerely,

Iman Moses
