EXPERIENCE

Warriors Racing   **Detroit , Michigan**
Member   *September 2025 – Current*
- Work with members to help improve different parts of the car and make sure the car runs faster by the time of race day.
- Perform calculations on race day and develop a strategy for the team in order to make sure the team finishes higher during the race weekend(qualifying and the official race day).
- Finalize the parts of a car before the race weekend and make sure they are running smoothly during practice, qualifying, and finally the race.

LEADERSHIP & PROFESSIONAL DEVELOPMENT

Iva Agam + Technology   **Coimbatore, India**
Intern   *June 2024 - July 2024*
- Assisted employees and the Board members with several fixes to housing development to make sure that the house is fixed and ready to be sold.
- Mentored kids about the Housing project based in the city of Coimbatore and prepared them to meet companies and talk about the housing project.
- Solved problems for employees before a sales pitch to investors and made sure real estate agents were able to complete their job smoothly.

Mark Cuban Foundation   **Detroit , Michigan**
Mentor   *October. 2023 – November 2023*
- Assisting students with AI coursework along with learning different AI platforms and creating our own AI on the Wayne State Campus.
- Work with fellow mentors to provide a positive learning experience for students who are interested in AI and educate them about the fundamentals of AI.
- Finalize a project that allows students to create an AI that could be useful in day to day experiences including treating hair loss by recommending which type of treatment a person could go to.

Key Club   **Canton, Michigan**
Guidance Committee   *January 2024 – June 2024*
- Led team members and students into different events such as the Fall Fest and multiple service opportunities for the help of the community.
- Checked in members of the club so that they can learn how to give donations to people who are in need and provided them with the items needed.
- Organized events that students went to such as the fall fest and Key Club events throughout the year in order to gain more experience helping people.
