Dear Members of Alpha Kappa Psi,

My name is Mohammad Hussain and I am a business student at Wayne State majoring in Supply Chain Management. I became interested in business when I saw how businesses operate behind the scenes, especially how planning, decision-making, and people come together to keep businesses running smoothly which really sparked my curiosity. I was drawn to supply chain because it covered the technical aspects of businesses like logistics and warehouse management. Outside of academics, I like playing soccer, watching movies and doing jiu jitsu. I am interested in Alpha Kappa Psi because of its focus on professional growth, leadership, and developing principled business leaders.

My experiences reflect many of the values Alpha Kappa Psi represents. While working at Drip Dry Cleaners, I was trusted with managing daily operations, assisting customers, and taking on responsibilities that required accountability and clear communication. Through Key Club, I completed over 40 hours of community service, which strengthened my teamwork skills and commitment to serving others. I also volunteered as parking duty at my mosque during Ramadan, where I helped coordinate traffic flow, guide attendees, and work closely with others to keep things organized during busy prayer times. This experience taught me how to stay calm, communicate clearly, and work as part of a team in a fast-paced environment. In addition, I earned a Supply Chain CHRMI certification and participated in the Youth Leadership Summit, where I continued building my professionalism and leadership abilities. These experiences have prepared me to be an active, reliable, and involved member of the chapter.

What attracts me most to Alpha Kappa Psi is its focus on preparing members to enter the business world through integrity, knowledge, and unity. I value being part of an organization where members hold themselves to high standards while also supporting one another's growth. I would appreciate the opportunity to contribute my willingness to learn to an organization that helps prepare its members for the corporate and business world.

Thank you for your time and consideration. I would appreciate the opportunity to further discuss my interest in Alpha Kappa Psi through an interview and look forward to hearing from you.

Sincerely,

Mohammad Hussain Mohamed Ali Khan
