WORK EXPERIENCE

Si Senior

Rockwood, MI

Waiter

September 2022 – Present

- Operates point of sale systems with **100%** accuracy, efficiently processing **120+** weekly transactions while maintaining payment security, handling cash and card payments during high-volume service periods
- Resolves customer complaints professionally, contributed to a **95%** overall customer satisfaction rating, while restocking merchandise daily, ensuring full shelf availability and maintaining organized dining and service areas
- Retaining over **40+** menu items to deliver customized food and beverage recommendations, greeting guests warmly, and building strong customer relationships to increase repeat visits and customer loyalty

Dishwasher

January 2019 – September 2022

- Handled and sanitized dishwashing equipment using approved chemicals while maintaining strict food safety and cleanliness standards, supporting health compliance, and protecting guests and staff in a **50-seat** restaurant.
- Restocked dishware, utensils, and glassware while washing and sanitizing **800 to 1100** dishes per shift, completing cleaning of garbage stations, racks, dry storage areas, and overhead fixtures to maintain a spotless kitchen
- Collaborated closely with kitchen and service staff to maintain steady dish flow during peak periods, stepping in where needed, communicating priorities clearly, and supporting team efficiency to ensure timely service for guests

LEADERSHIP & EXTRACURRICULARS

Theodore Roosevelt High School School Store

Wyandotte, MI

Cashier

September 2021 – May 2022

- Led daily store operations by training **1-2** new student employees per semester and working with **3-5** team members to maintain an organized and professional retail environment during peak campus traffic and special promotional events
- Resolved customer concerns and communicated with supervisors to streamline workflows, support team accountability, and improve overall service efficiency across shifts while meeting operational and standards

DECA

Detroit, MI

Hospitality Management Competitor

March 2022

- Analyzed hospitality industry case studies by evaluating customer experience, operations, and financial considerations, then developed strategic recommendations and presented solutions clearly and professionally
- Collaborated with peers to prepare for DECA hospitality events by researching industry trends, practicing role-play scenarios, and developing problem-solving and decision-making skills relevant to real-world environments
