Dear Alpha Kappa Psi,

My name is Chris Misquitta, I am a sophomore majoring in Supply Chain Management and Finance. I am someone who thrives in face paced, team oriented environments and solving problems that involve efficiency, strategy, and real world impact. Through my coursework and work experience, I have developed strengths in communication, organization, and analytical thinking. I also balance academics, employment, and extracurricular growth. I'm drawn to Alpha Kappa Psi because it not only allows participants to grow professionally, it also assists you to grow your leadership and core values.

My previous job experience and leadership responsibilities has helped me prepare to be an active and committed member for this fraternity. Working as a server, I have learned how to manage time under pressure, collaborate with diverse teams, and communicate clearly with customers and coworkers. These experiences have strengthened my accountability, work ethic, and ability to adapt quickly, these skills are essential in both professional organizations and business environments.

- Worked 20–30 hours per week while maintaining strong academic performance
- Collaborated with 10+ team members per shift to ensure efficient operations and customer satisfaction
- Managed high-volume workloads while maintaining accuracy, professionalism, and communication
- Developed strong interpersonal and leadership skills through teamwork and responsibility

What draws me to Alpha Kappa Psi is that it's more than just a business fraternity, it's a community that pushes members to grow while staying grounded in strong values. I respect AKPsi's focus on professionalism, accountability, and service, and how those values show up both on campus and beyond. I thrive in team environments where high standards are expected and people support one another. Through my leadership experience and collaboration with others, I believe I can contribute meaningfully while continuing to grow as a principled business leader.

I would truly appreciate the opportunity to interview and discuss how I can contribute to Alpha Kappa Psi. Being part of an organization that challenges growth and values impact is something I care about, and I would be excited to show my commitment in person. Thank you for your time and consideration.

Sincerely,

Chris Misquitta

ALPHA KAPPA PSI
The Professional Business Fraternity
