Dear Alpha Kappa Psi,

My name is Gregory Nobles, and I am a first-year marketing major at Wayne State with a minor in journalism. I'm someone who is motivated by leadership, teamwork, and meaningful work that develops growth, and I've always learned best through real-world experience and hands-on activities, whether it is taking care of customers in fast-paced environments or leading live broadcasts in front of hundreds of viewers. For the most part, when it comes to communication, I strive to do my best in those areas. Communication is what I'm most passionate about, along with collaboration and personal growth, which is why I'm drawn to Alpha Kappa Psi solely because I truly admire AKPsi's goal for Brotherhood, Integrity, Unity, and Service, and I would love to be a part of a community that develops professional principles.

My experiences prepared me to contribute to AKPsi while also developing in the organization. At Menards, I was able to process over **100** transactions daily while remaining professional, giving outstanding customer service, which led to my accomplishment of the Menards APP Award. My time with Redford Cement Company really strengthened my discipline in many ways, while also showing reliability and the ability to work safely and efficiently in a team, which shows the importance of unity and collaboration. Also, as an Anchor for the Thurston High Broadcast Team, is when I learned how to communicate clearly while under pressure and adapt in real time. While doing so, I was working in a group of **10** to deliver high-quality media to a community. Lastly, my participation in the Build MI Future Summer Camp and varsity wrestling helped build up my resilience and my drive for things I'm passionate about to gain success.

I would truly love the opportunity to obtain an interview to discuss who I am beyond the paper, and joining Alpha Kappa Psi would mean more than just being a member and more of a commitment to leadership and growth with many others. This opportunity would allow me to expand my development and help me grow professionally, building many connections. Thank you for your time and consideration, and I would be honored to speak soon.

Sincerely,

Gregory Nobles
