Wayne State University, Mike Ilitch School of Business

Bachelor of Science in Business Administration

Detroit, MI

Major: Finance & Technology, Information, Systems & Analytics

Expected Graduation: May 2028

GPA: 3.91

Awards: Mike Ilitch School of Business; Dean's List (Fall 2024 - Present)

Scholarship: Irvin D. Reid Honors College; Dean's Award, WSU Warrior Scholarship

EXPERIENCE

Warrior Consulting Group

Detroit, MI

Student Consultant for Bloom

Oct 2025 - Dec 2025

- Assessed U.S. feasibility for drone manufacturing with a Detroit focus; identified repurpose-ready plants across auto suppliers, EMS/electronics, and defense/motorsport fabricators.
- Mapped drone components (airframe, motors/ESCs, batteries, avionics/RF) to existing U.S. capabilities and flagged onshore-first vs. safe-to-import parts.
- Built a target partner list (Tier-1 automotive + EMS) and shortlisted facilities suitable for quick retooling based on automation/test requirements.

Detroit Manufacturing Systems (Voltava)

Southfield, MI

Intern, Supplier Quality Audit

May 2025 - Aug 2025

- Streamlined quality processes by developing automated Excel CheckPaths — digital workflows that standardized inspections and reduced process variation across production lines by 30%.
- Ensured regulatory compliance through supplier audits (Ease.io), gauge calibration, and ISO/TS standard maintenance, directly minimizing measurement risk and non-conformances.
- Drove continuous improvement by collaborating with cross-functional teams to investigate audit findings, and implement corrective actions by creating visual work instructions that enhanced procedural consistency.

Detroit Manufacturing Systems (Voltava)

Southfield, MI

Intern, Advanced Quality

May 2024 - Aug 2024

- Inspected, reworked, and dispositioned 500+ Volvo and MACK commodity parts across multiple inspection cycles, enforcing quality standards and scrapping non-conforming components to prevent defects.
- Collected and analyzed SPC data from 20+ gauges using CMM equipment, supporting data-driven quality decisions.
- Built Excel and Power BI dashboards to analyze inspection and SPC data for 3+ assigned projects, supporting quality reporting, root-cause analysis, and continuous improvement initiatives.

LEADERSHIP & PROFESSIONAL DEVELOPMENT

Gleaners Food Bank

Detroit, MI

Volunteer, Fresh Market Distributor

Apr 2025 - Jan 2026

- Organized professional development events for 50+ active members, including research symposiums, networking events, and alumni panels.
- Collabed with campus student organizations, resulting in broader member engagement and increasing turnout by 15%.
- Mentored active members during committee meetings on professional networking strategies to expand chapter connections.

Delta Epsilon Mu

Detroit, MI

Professional Chair, Alpha Alpha Chapter

Feb 2025 - May 2025

- Distributed fresh produce and staple foods to 400+ community members at Western International High School, supporting food access in underserved Detroit neighborhoods.
- Supported distribution operations, assisting with packing and inventory flow to serve 100+ households per event efficiently and accurately.
- Collaborated with 7 - 10 volunteers per shift to maintain organized distribution lines, and to ensure food safety standards.
