Wayne Consulting Group

Detroit, MI

Consultant, Observer

August 2025 – Present

- Analyzing engagement and financial data from **500+** users on Studir's licensure exam platform to support growth strategy
- Collaborated in a **5-member** team to evaluate **10+** supply chain factors impacting BLOOM's drone operations and compliance
- Evaluated tariff impacts across **5+** drone components, identifying domestic incentives to reduce costs and stabilize sourcing

Doshi & Associates, CPA, PLLC

Bloomfield Hills, MI

Accounting Intern

January 2025 – August 2025

- Reconciled **300+** financial documents weekly using Excel to track, update, and reconcile client information with **100%** accuracy
- Managed and organized a database of **200+** client records, ensuring accuracy, compliance, and access to streamline office operations
- Executed daily administrative tasks supporting **8+** staff members, improving workflow accuracy and overall operational efficiency

Adler Dental

Southfield, MI

Administrative Intern

August 2024 – January 2025

- Handled and logged over **100** patient payments, ensuring daily transaction accuracy for a dental office serving **30** patients per day
- Facilitated in managing accounts receivable by tracking **\$20,000** in patient balances and claims, improving follow-up efficiency
- Computed the submission of **50+** insurance claims weekly, ensuring proper documentation and maintaining consistent cash flow

LEADERSHIP & PROFESSIONAL DEVELOPMENT

Financial Management Association

Detroit, MI

Administrative Chair

January 2026 – Present

- Coordinating end-to-end logistics for **5+** Finance Management Association events by securing campus venues, managing room reservations, organizing schedules, and supporting attendance of **50+** students per event to ensure smooth program execution
- Distributing detailed event announcements across email lists, social media platforms, and campus communication channels to over **300+** members, increasing overall awareness, engagement, and turnout for professional development and networking events

Middle Eastern and South Asian Business Club

Detroit, MI

Social Chair

August 2025 – Present

- Managing event logistics under a limited operating budget, cutting projected costs by **25–35%** through strategic vendor selection, shared resources, and in-house planning, while meeting executive board expectations consistently and efficiently throughout events
- Overseeing on-site event operations, ensuring smooth execution for **30–80** attendees per event while maintaining a welcoming and inclusive environment that encouraged member engagement, networking, and repeat participation across the semester

Joy of Coding

Ann Arbor, MI

Participant

June 2024 – September 2024

- Mastered the University of Michigan's Joy of Coding program, completing **40+** hours of hands-on instruction, building **3+** AI chatbots, and applying loops, functions, conditional flows, and problem-solving while fortifying core foundations in Python
- Developed foundational programming skills through multiple coding projects and **50+** practice exercises, gaining hands-on experience in AI development and structured problem-solving within collaborative, project-based learning environments
