EXPERIENCE

Warriors Racing

Detroit , Michigan

Member

September 2025 – Current

- Work with members to help improve different parts of the car and make sure the car runs faster by the time of race day.
- Perform calculations on race day and develop a strategy for the team in order to make sure the team wins during the race weekend.
- Finalize the parts of a car before the race weekend and make sure they run smoothly during practice, qualifying, and the race.

Iva Agam + Technology

Coimbatore, India

Intern

June 2024 - July 2024

- Assisted employees and the Board members with several fixes to housing development to make sure that the house is fixed and ready to be sold.
- Mentored kids about the Housing project based in the city of Coimbatore and prepared them to meet companies and talk about the housing project.
- Solved problems for employees before a sales pitch to investors and made sure real estate agents were able to complete their job smoothly.

Python Programming Project

Metro Detroit, Michigan

Member

August 2024 - August 2024

- Completed an introductory project on Python outside of school, gaining hands-on experience with data handling and problem solving.
- Developed foundational skills in Python through coursework, including writing code, applying logical structures, and practicing projects that simulate real world solving.
- Learned beginner level Python programming that included concepts such as loops, conditionals, and data structures to create small applications and strengthen thinking.

LEADERSHIP & PROFESSIONAL DEVELOPMENT

Mark Cuban Foundation

Detroit , Michigan

Mentor

October. 2023 – November 2023

- Assisted students with learning different AI platforms and creating their own type of programmed Artificial Intelligence.
- Worked with fellow mentors to provide a positive learning experience for students along with educating them about the fundamentals of AI.
- Finalized a project that allowed students to create an AI that is useful in everyday experiences which included treating hair loss.

Key Club

Canton, Michigan

Guidance Committee

January 2024 – June 2024

- Led team members and students into events such as the Fall Fest and multiple service opportunities in order to help the community.
- Checked in members of the club so they can learn how to provide donations to people who are in need which keeps attendance up.
- Organized events throughout the year that students went to such as the fall fest and Key Club events which helped a lot of people.
